Fresh Graduate

A student who has a strong passion for discovery and growth. My goal is to transform my knowledge into solutions that are effective. Besides books, I'm a supporter of morals and believe in the impact of education. Let's connect and share our experiences. I'm always eager to discover new ways to learn and collaborate.

PROJECTS

NEWS APP

Jun 2023 - Present

Smart Internz

- It's an android app built by Kotlin. The app is a user-friendly news application that delivers the latest headlines.
- It provides a convenient and personalized news browsing experience, keeping users informed and engaged.
- Stay updated with breaking news and explore a wide range of topics with our intuitive and easy-to-use interface.

Portfolio

Oct 2022 - Present

Personal

- It's a personal portfolio built using HTML, CSS and JavaScript.
- The website contains details about my skills, education and my work.
- It's more interactive like other websites. It even accepts responses from surfers.
